## HDBaseT SWITCH

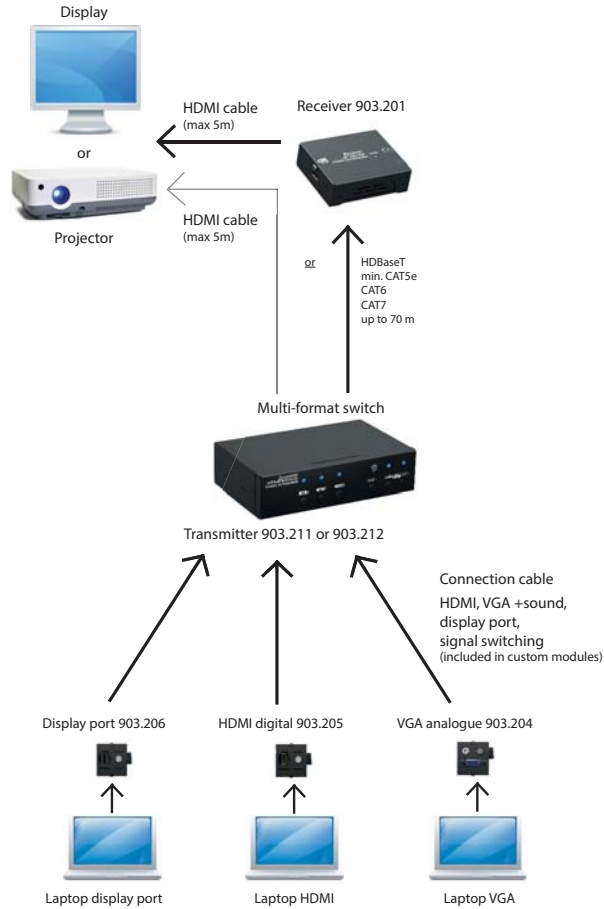

The plug-and-play solution for meeting points and meeting rooms

It's electric.

# Small box – big impact

Share information from up to 4 devices (laptops) at the touch of a button. The buttons are already integrated in the relevant CUSTOM modules. The signals from the switch to the display or projector are either transferred via HDBaseT or as original HDMI signals.

Art. no. | Version

### HDBaseT transmitter with 3 inputs

- |         |   |
|---------|---|
| 903.211 | <ul style="list-style-type: none"> <li>Input: 2 x HDMI, 1 x VGA + audio</li> <li>HDMI output + HDBaseT via RJ45</li> <li>max. 70 metre cable length</li> <li>incl. control box</li> </ul> |
|---------|---|

### HDBaseT transmitter with 4 inputs

- |         |   |
|---------|---|
