ProVision

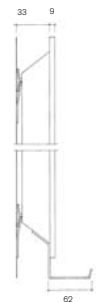

ProVision

ProVision – the ProVision surface is fitted with **SilverPro™** – our magnetic glass board suitable for dry markers and image projection in 4:3 and 16:9 format. ProVision is now also available with E3 magnetic enamel whiteboard surface. The slimline anodised aluminium frame allows for modular groupings. It is suspended with two profiles (brackets) at a distance of 7 mm off the wall and 2000 mm from floor to upper edge. Standard board format is horizontal. The boards can also be mounted vertical per customer request.
