

EFG009666

EFG pLay

EFG pLay is basically a fabric-covered L-shape. The filling consists of recycled, sound-absorbent polyester and textile fibres, pressed together with the fabric covering of the acoustic panel. Mount the panels on the wall or hang them from the ceiling. Let your imagination run riot with colours and combinations, and you can transform the entire character of the room.

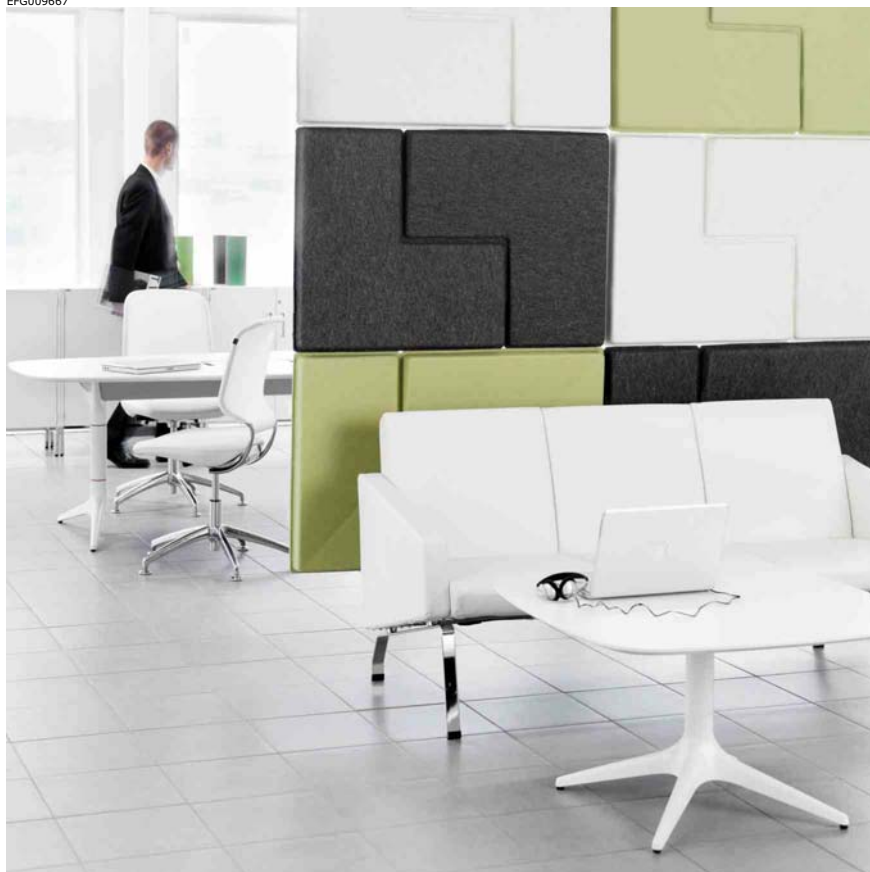

Product info

- Wall-mounted or suspended from ceiling.
- Panel is made of recycled, sound-absorbent polyester and textile fibres, covered with Palermo fabric or equivalent felt upholstery.
- Options: Mounting kits.
- Guarantee: Five year warranty against defects resulting from faulty design, material or workmanship.
- Sound absorption measured according to ISO 10534-2.
