

xelo[®]
plasma stand system

WWW.XELOSYSYSTEM.COM

Xelo è un innovativo supporto per monitor al plasma/LCD che riunisce in sé doti di funzionalità, sicurezza e design. Le linee sinuose e i colori brillanti ne fanno un oggetto originale, destinato a diventare protagonista assoluto degli spazi all'interno dei quali viene inserito.

Xelo is an innovative floor stand, suitable for supporting plasma/LCD monitors. Xelo aims to bring together functionality, safety and aesthetic appeal. The curving lines and bright colours make this an object with an original design, destined to take on the leading role in the spaces in which it is inserted.

PRODUCT

Xelo è costituito da due parti: una base d'appoggio semicircolare ed uno stelo in grado di ospitare al suo interno tutto il cablaggio. Xelo è disponibile in diversi colori standard: rosso lucido, bianco lucido, bianco opaco, nero lucido, nero opaco, argento.

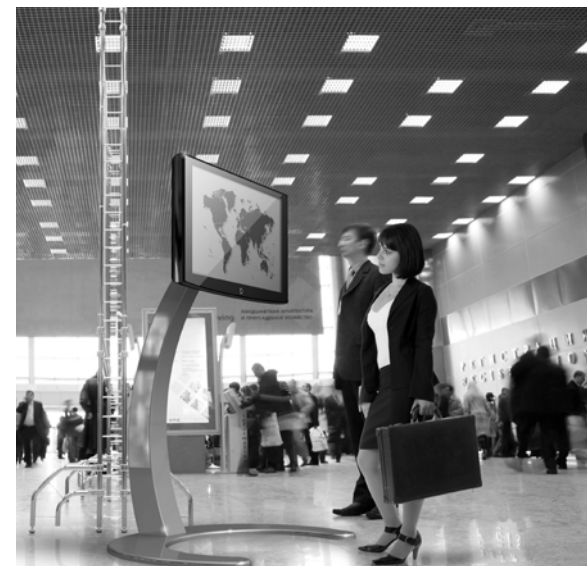

Xelo is composed of two parts, a support base and a stem designed to store all the cables inside it. Xelo is available in various standard colours: glossy red, glossy white, matte white, glossy black, matte black, silver.

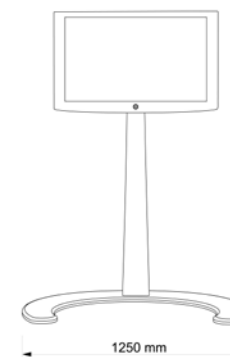

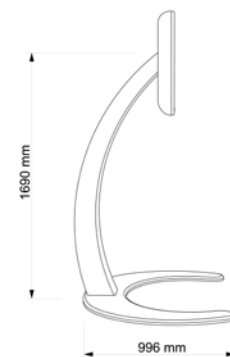

Per il suo design esclusivo e le sue doti scenografiche, Xelo si presta ad essere facilmente ed armoniosamente inserito in qualsiasi tipo di ambiente: casa, negozi, showroom, allestimenti, set televisivi, corner ed eventi promozionali.

Thanks to its versatility and exclusive design, Xelo lends itself to easy, harmonious insertion in any type of environment: home, stores, showrooms, fair stands, television sets and promotional events.
