Cradle to Cradlesm Certified Gold

Haworth, Inc. Zody™ Task Chair (specific models)

The Zody™ has been certified as a Cradle to Cradle™ product at the level of Gold when manufactured with several optimized components, including the following seat fabrics:

- Pendleton Woolen Mills Classic Wool Flannel
- Victor Innovatex Eco Intelligent® Polyester
- Designtex | Climatex® Lifecycle™

The certification is valid for products manufactured for sale within North America, except for those models manufactured to meet Cal 133 requirements.

Haworth promotes the Zody™ office chair as designed "to incorporate sustainable design into a mid-priced task chair that blends science-based wellness and comfort." Haworth also has made the following statements about the product: "Haworth's Zody is made with up to 51% recycled content and up to 98% recyclable materials. The chair can contribute toward earning points in the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) Green Building Rating System®. Zody's sustainable design includes using 100% Green-e wind-power credits to manufacture the chair."
