PHILOSOPHY

More than 25 years, **Azzaretto Group** is one of the leading manufacturer of interior and furniture for offices. The curved partition system is a synonym for design, technique and functionality.

Azzaretto company is working in a modern industrial area, with computer controlled productions lines. Our partitions are produced according the rules of DIN EN ISO.

We are the partner for the following tasks: Consulting, planning, design and production of interior for office and administrative buildings, entrance and congress halls, exhibitions and shops.

Our innovative partitions are available in 68 different sizes and 108 surfaces. We took out a patent for this special production.

PARTITIONS – DESIGN – COLOUR - LIVE

The work becomes harder and harder, the managers, leaders as well as the accountants has to do the same work within shorter periods. The noises are powerfull, how should they do their concentrate work and create new innovative ideas?

No other department in the companies will have more reorganizations and influence of the employees as well as the work climate as the area of management and adminstration.

Actually, dynamics, capability and productivity have to do no more with presence purely.

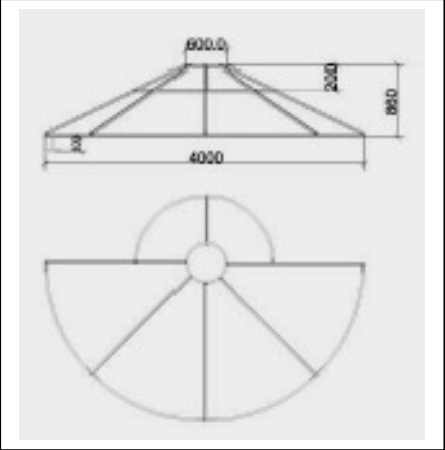

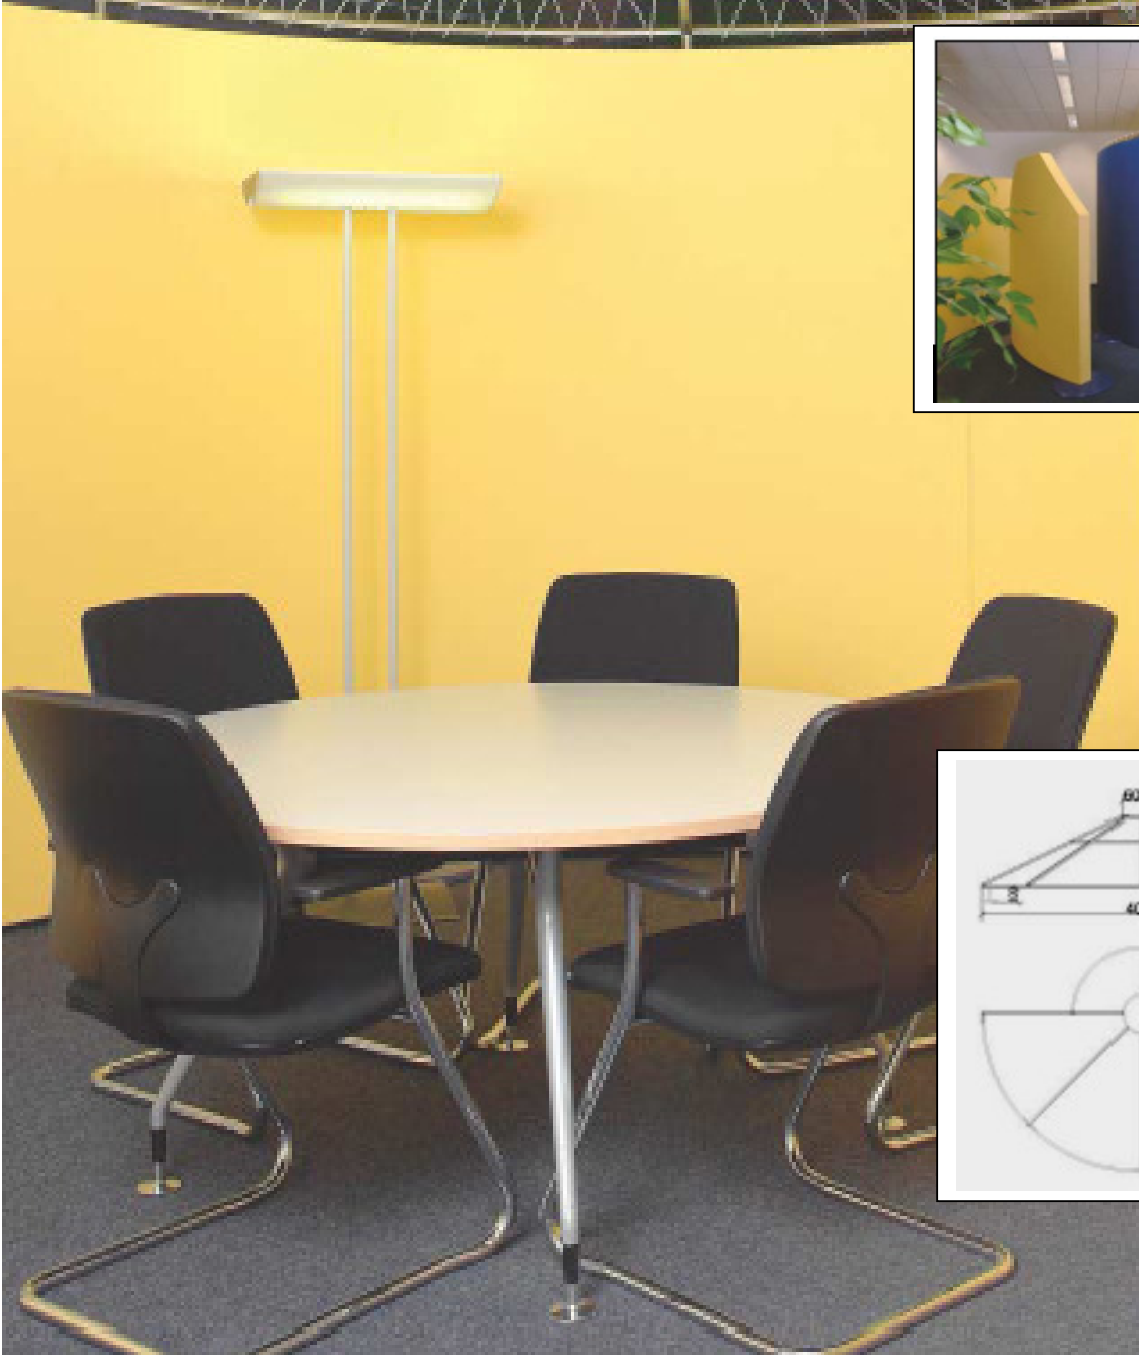

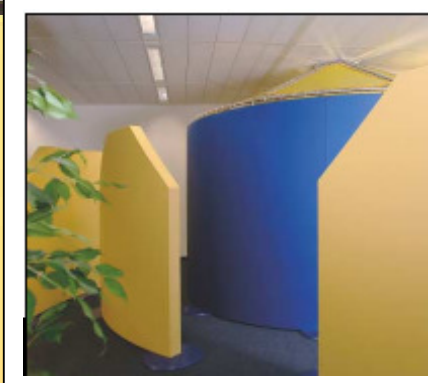

Radiuse becomes more complex, the concentration on the task more intensive.

MEETING PAVILLON WITH TEXTILE CEILING

Our meeting pavillon is equipped with individual created and coloured textiles, covered with a stainless steel frame. The fabric ceiling of our meeting point are available with the logo of the cusomer in digital printed quality too.

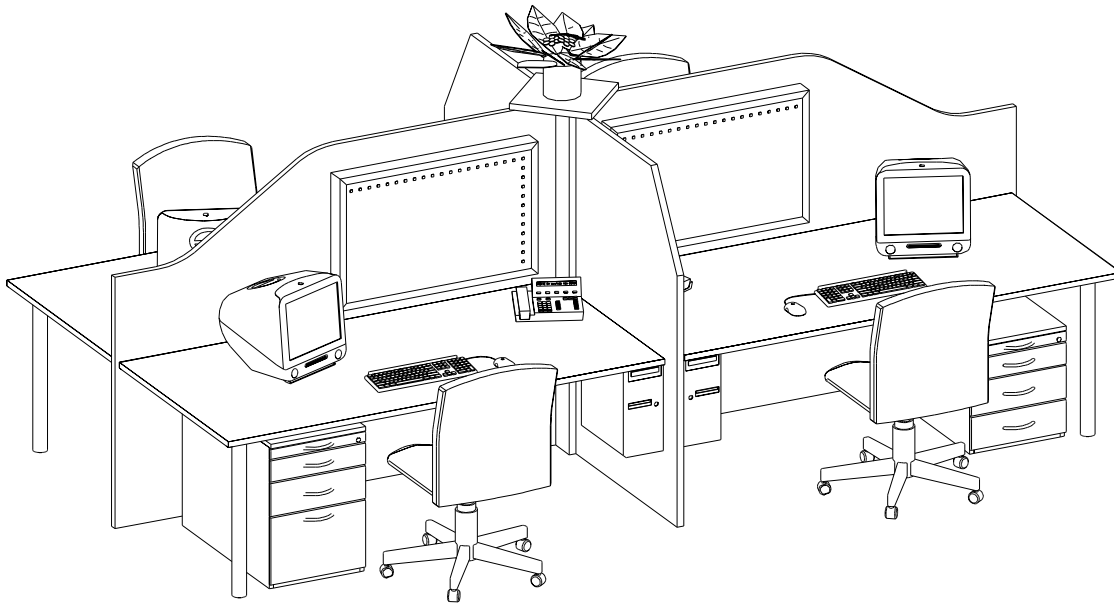

ADD ON MODULES

Our work station including the partitions offers the best work place - noise performance. The walls are available in acoustic quality too.

The post boxes are designed functional in coloured surface. At a central point in the department, all the responsible persons have its own box.

Our white boards adjusting to our curved partitions and have a markable and magnetic surface.
